

Identify the four seasons

Write the name or draw the symbol of the correct season under the picture.

Spring

Summer

Autumn

Winter

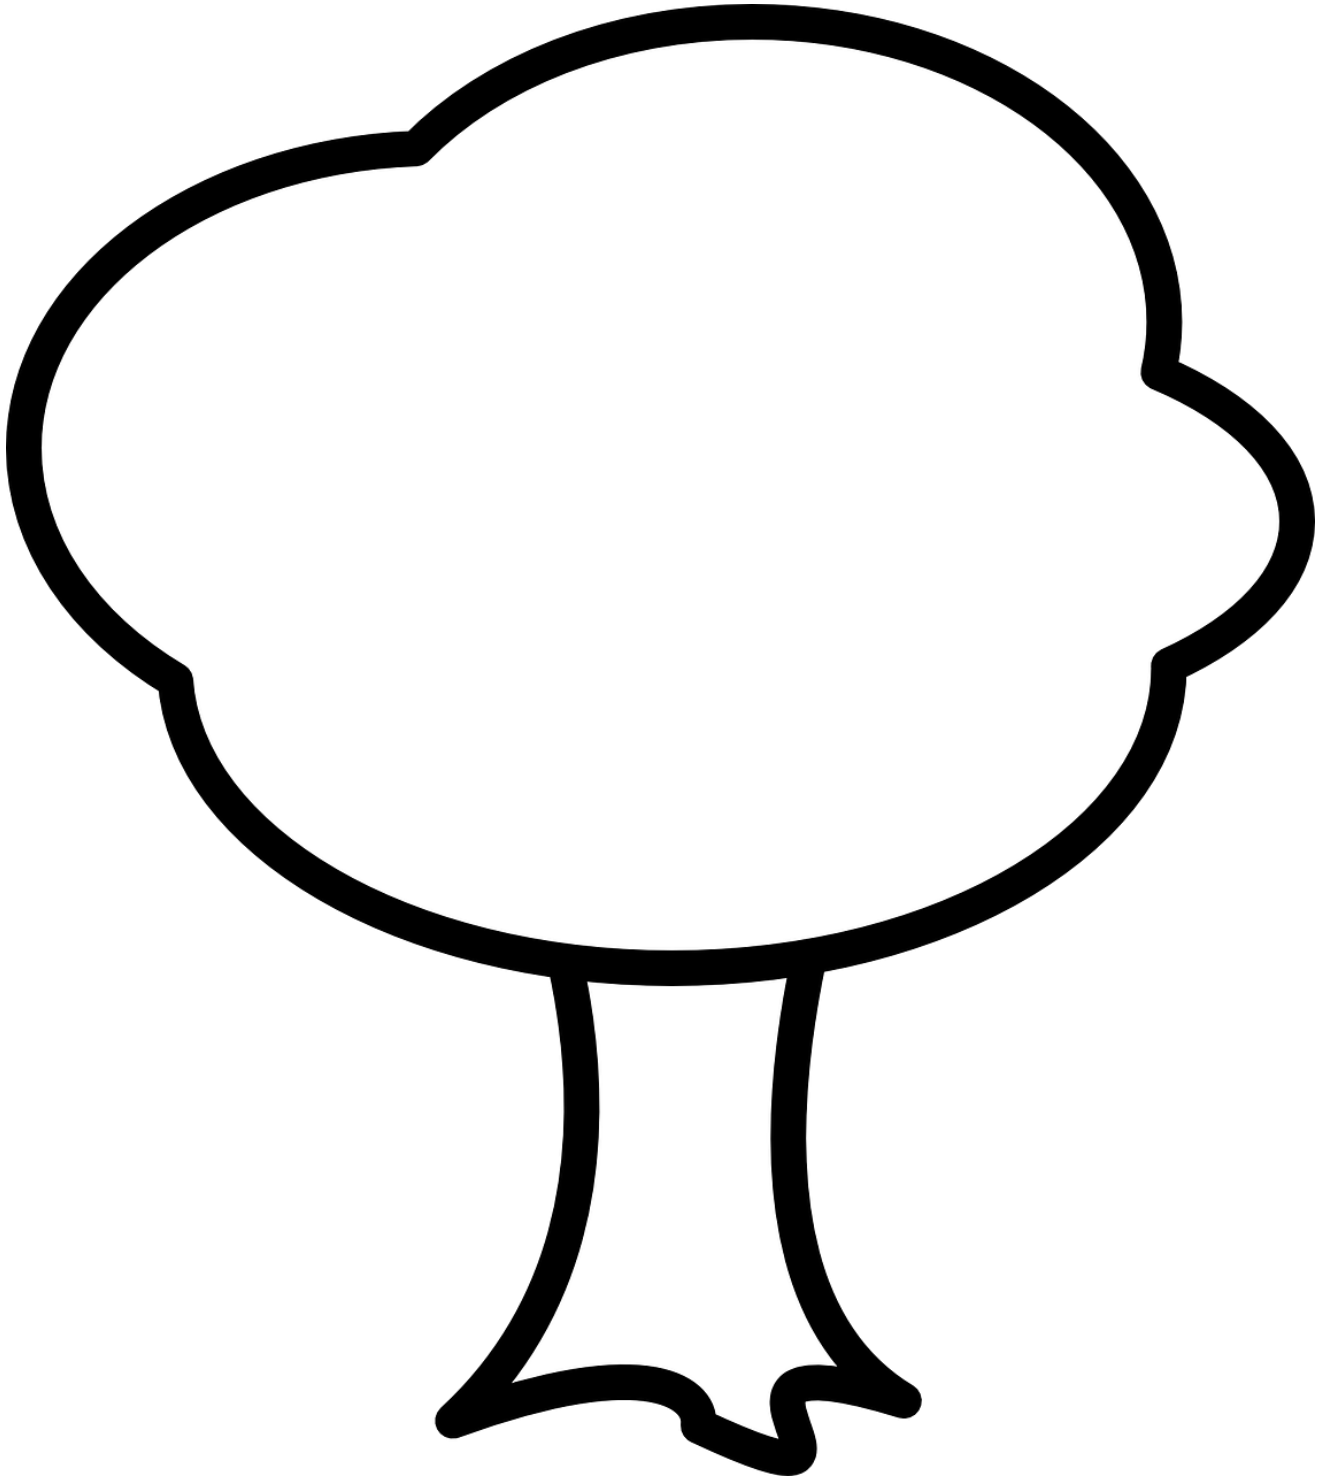

Stretch:
In small groups, describe what it would be like if where you lived was always stuck in winter. Think about how it would feel and what would happen to the plants and animals.

Challenge:
Write a word that describes what each of the four seasons feels or looks like

Identify the four seasons

Cut out the trees to help make your four season tree model
